

# Trail Talk

The newsletter of The Beaverhead Trails Coalition

Vol. 1 - Fall 2018

**"Providing the community with walking and bicycling trails, parks, and programs."**

Discover how we are getting closer to the vision with this new quarterly newsletter! Also explore our projects in more details on our website!

## High Trails Phase 3

BTC acquired the northern part of the High Trails Phase III for 200 more acres of public use!

[Read more here!](#)

## Beautiful park and fishing access

Newly improved park at the corner of Selway Drive and Laknar Lane, with trails, boat ramp, picnic table and benches!

## [Keep Reading](#)

## It's a bike world.

BTC installed the first of many bike rack corrals at the corner of Glendale St. and Idaho St. Visit our [website page](#) to view the map of the planned bike rack system across the downtown area.
